

**Julie Kolberg
President**

Julie Kolberg is the co-founder and President of Tactical Training Inc. and Trauma Training FX, Inc.

Mrs. Kolberg brings more than 20 years of administrative and financial experience to the team. She has been responsible for the management and daily operations of T² since its' inception. Her knowledge and experience in business keeps the company progressing forward and focused on our mission.

Mrs. Kolberg is a Certified Moulage Specialist trained by an Emmy-award winning make-up artist. By creating realistic wounds on roles players, she is able to provide life-like scenarios. Mrs. Kolberg also handles and sets up all the pyrotechnics that create the stressors for our client.

Prior to founding the T² training team with her husband, Mrs. Kolberg managed the finances for a multi-million dollar company, assuming responsibility for the day-to-day financial decisions.

Mrs. Kolberg was also the Medical Team Coordinator for The Flying Hospital, a subsidiary of Operation Blessing, a large international non-profit organization. The Flying Hospital was a Lockheed L-1011 containing the world's largest fully equipped surgical hospital ever constructed inside an aircraft. Mrs. Kolberg was responsible for recruiting over 130 medical and nonmedical volunteers for each medical mission, working closely with embassies processing visas and travel logistics, and overseeing the travel and in-country needs of the team.

Each mission provided free care to thousands of impoverished people in countries including Ecuador, Brazil, Bolivia, Mexico, Nicaragua, India, Ukraine and Russia.

Another career highlight includes assisting the President in the daily operations of a \$160 million government contracting company.

She resides in Virginia Beach, VA with her family.
